

CONTRIBUTING AUTHORS

Ajai J. Ajamani, M.D.

Resident in Radiology, University of Texas Southwestern Medical Center, Dallas

D. Frank Benson, M.D.

The Augustus S. Rose Professor of Neurology, UCLA School of Medicine, Los Angeles

Frederick J. Bonte, M.D.

Director, Nuclear Medicine Center, University of Texas Southwestern Medical Center, Dallas

Mary Boyle, Ph.D.

Assistant Professor of Speech, Communication Sciences, and Theatre, St. John's University, Jamaica, New York

Deborah Brauer, M.S.

Speech-Language Pathologist, Dean Medical Center, Madison

Robert H. Brookshire, Ph.D.

Director, Speech Pathology Service, Veterans Administration Medical Center, Minneapolis

Michael P. Caligiuri, Ph.D.

Director, Motor Function Laboratory, Veterans Administration Medical Center, San Diego

Michael P. Cannito, Ph.D.

Assistant Professor, Communication Sciences and Disorders, University of Texas at Austin, Austin

Sandra Bond Chapman, Ph.D.

Research Scientist, Callier Center for Communication Disorders, University of Texas at Dallas, Dallas

Michael J. Collins, Ph.D.

Communication Disorders, University of Wisconsin-Madison, Madison; Director, Speech and Language Pathology, Dean Medical Center and St. Mary's Hospital, Madison

Louise Correia, M.A.

Speech-Language Pathologist, ABC/Head Start Program, Elves Memorial Child Development Centre, Edmonton, Alberta, Canada

Susan Curtiss, Ph.D.

Associate Professor, Department of Linguistics, University of California, Los Angeles

Marsha Davidoff, M.A.

Speech-Language Pathologist in private practice, Los Angeles

Elizabeth West Devitt, M.A.

Speech Pathologist, InSpeech Inc., Tacoma

Michael D. Devous, Sr., Ph.D.

Associate Professor of Radiology, University of Texas Southwestern Medical Center, Dallas

Joseph R. Duffy, Ph.D.

Consultant, Speech Pathology, Department of Neurology, Mayo Medical School, Mayo Clinic, Rochester

Robert J. Duffy, Ph.D.

Professor, University of Connecticut, Storrs

Patricia A. Emery, M.Sc.

Research Associate, Speech-Language Pathology, Department of Neurology, Boston University School of Medicine, Boston

Terese Finitzo, Ph.D.

Principal Investigator, Dallas Center
for Vocal Motor Control, University
of Texas at Dallas, Dallas

Davida Fromm, Ph.D.

Principal Research Associate,
Department of Psychiatry,
University of Pittsburgh School of
Medicine, Pittsburgh

Ann Gaddie, M.S.

Research Speech Pathologist,
Audiology and Speech Pathology
Service, Veterans Administration
Medical Center, Chicago

Lisa Fletcher Graham, M.S.

Project Assistant, Department of
Speech and Hearing Science,
Arizona State University, Tempe

Dorothy E. Grant, Ph.D.

Professor, Communication Sciences
and Disorders, Radford University,
Radford, Virginia

Wayne R. Hanson, Ph.D.

Chief, Audiology and Speech
Pathology Service, Veterans
Administration Medical Center,
Sepulveda, California

Nancy Helm-Estabrooks, Sc.D.

Chief, Audiology/Speech Pathology
Service, Veterans Administration
Medical Center, Boston

Audrey L. Holland, Ph.D.

Professor of Otolaryngology,
University of Pittsburgh School of
Medicine, Pittsburgh

Pat Holtzapple, M.A.

Coordinator, Speech Pathology
Section of the Audiology/Speech
Pathology Service, Veterans
Administration Medical Center,
Phoenix

Chi-Tzong Hong, M.D.

Fellow of Neurology, University of
Texas, Southwestern Medical
Center, Dallas; Consulting Staff of
Neurology, Dallas Rehabilitation
Institute, Dallas

Monica S. Hough, Ph.D.

Assistant Professor, Department of
Speech, Language, and Auditory
Pathology, School of Allied Health
Sciences, East Carolina University,
Greenville

Catherine A. Jackson, M.A.

Research Speech Pathologist,
Audiology and Speech Pathology
Service, Veterans Administration
Medical Center, Sepulveda,
California

Susan T. Jackson, M.Sc.

Doctoral Student, Department of
Communication, Pittsburgh

Richard C. Katz, Ph.D.

Assistant Chief, Audiology and
Speech Pathology Service, Veterans
Administration Outpatient Clinic,
Los Angeles

Kevin P. Kearns, Ph.D.

Adjunct Assistant Professor of
Neurology and Psychiatry, University
of Health Sciences, Chicago Medical
School; Chief, Audiology/Speech
Pathology Service, Veterans
Administration Medical Center,
Chicago

Robert L. Keith, M.S.

Assistant Professor, Mayo Medical School, Rochester; Associate, Speech Pathology, Mayo Clinic, Rochester

Daniel Kempler, Ph.D.

Assistant Professor, Department of Otolaryngology and Gerontology, University of Southern California, Los Angeles

Mikael D. Z. Kimelman, Ph.D.

Assistant Professor of Communication Disorders, Louisiana State University Medical Center, New Orleans

Leonard L. LaPointe, Ph.D.

Professor and Chairman, Department of Speech and Hearing Science, Arizona State University, Tempe

Beth A. Levine, M.S.

Research Assistant, Department of Neurology, Aphasia Research Center, Boston University School of Medicine, Boston

Craig W. Linebaugh, Ph.D.

Professor and Chair, Department of Speech and Hearing, The George Washington University, Washington, D.C.

Felice L. Loverso, Ph.D.

Director, Center for Communication Disorders, Braintree Hospital, Braintree, Massachusetts

Jon G. Lyon, Ph.D.

Staff Speech Pathologist, Veterans Administration Medical Center, Reno

Donald L. MacLennan, M.A.

Speech-Language Pathologist, Veterans Administration Medical Center, Minneapolis

Malcolm R. McNeil, Ph.D.

Professor, Department of Communicative Disorders, University of Wisconsin-Madison; Consultant, Department of Speech Pathology and Audiology, Veterans Administration Hospital, Madison

E. Jeffrey Metter, M.D.

Medical Officer, Longitudinal Studies Branch, NIA, Gerontology Research Branch, Baltimore

Kathleen K. Millay, Ph.D.

Adjunct Assistant Professor, Texas Women's University, Denton

Margaret A. Naeser, Ph.D.

Associate Research Professor of Neurology, Aphasia Research Center, Boston University School of Medicine, Boston; Research Neurolinguist/Speech Pathologist and Director, CT Scan/Aphasia Research Laboratory, Aphasia Research Center, Veterans Administration Medical Center, Boston

Linda E. Nicholas, M.A.

Research Speech Pathologist, Veterans Administration Medical Center, Minneapolis

Carole L. Palumbo

CT Scan/Research Analyst, Aphasia Research Center, Veterans Administration Medical Center, Boston

Robert S. Pierce, Ph.D.

Associate Professor, School of
Speech Pathology and Audiology,
Kent State University, Kent

Karen Pohlman, MNS

Speech Pathologist, Veterans
Administration Medical Center,
Phoenix

Kenneth D. Pool, M.D.

Director, Neuroscience Research
Center, Dallas

Shirley A. Porrazzo, M.A.

Speech-Language Pathologist,
Veterans Administration Medical
Center, Minneapolis

Thomas E. Prescott, Ph.D.

Chief, Audiology and Speech
Pathology, Veterans Administration
Medical Center, Denver

Gail Ramsberger, Sc.D.

Director, Speech-Language
Pathology and Audiology, Memorial
Hospital, Boulder

Sharon B. Reynolds, Ph.D.

Assistant Professor, Curriculum and
Instruction, Texas Christian
University, Fort Worth

Walter H. Riege, Ph.D.

Research Professor, Department of
Psychiatry and Biobehavioral
Sciences, University of California,
Los Angeles, UCLA School of
Medicine, Los Angeles; Chief,
Memory Research, Veterans
Administration Medical Center,
Sepulveda, California

Lyanne Riley, Ph.D.

Speech Pathologist in Audiology/
Speech Pathology Service, Harry S.
Truman Memorial Veterans
Administration Hospital, Columbia,
Missouri

Matthew Rizzo, M.D.

Assistant Professor of Neurology,
University of Iowa College of
Medicine, Iowa City; Attending
Neurologist, Division of Behavioral
Neurology and Cognitive
Neuroscience, University of Iowa
Hospitals and Clinics, Iowa City

Jan Avent Roberts, Ph.D.

Clinical Speech Pathologist, Veterans
Administration Medical Center,
Martinez, California

Donald A. Robin, Ph.D.

Assistant Professor, Speech
Pathology and Audiology, The
University of Iowa, Iowa City

John C. Rosenbek, Ph.D.

Chief, Audiology and Speech
Pathology, Veterans Administration
Medical Center, Madison

Gail Potechin Scher, Ph.D.

Research Speech Pathologist,
Veterans Administration Medical
Center, Chicago

James G. Schumacher, M.S.

Speech Pathologist, Veterans
Administration Medical Center,
Minneapolis

Marilyn Selinger, Ph.D.

Research Speech Pathologist,
Veterans Administration Medical
Center, Denver

Lewis P. Shapiro, Ph.D.

Research Assistant Professor of
Neurology, Aphasia Research
Center, Boston University School of
Medicine, Boston

Yvonne D. Shubitowski, Ph.D.

Research Speech Pathologist,
Veterans Administration Medical
Center, Martinez, California

Nina N. Simmons, M.S.

Director, Speech Pathology, Touro
Infirmary, New Orleans

Elizabeth Sims, M.S.

Public School Speech Pathologist,
Dallas School District, Plano, Texas

Denise Stiassny-Eder, M.S.

Research Health Scientist, Aphasia
Research Center, Veterans
Administration Medical Center,
Boston

Michael P. Sullivan, M.S.

Graduate Student, University of
Minnesota, Minneapolis

Cynthia K. Thompson, Ph.D.

Associate Professor, Department of
Communication Processes and
Disorders, University of Florida,
Gainesville

Connie A. Tompkins, Ph.D.

Assistant Professor, Communication
Disorders, University of Pittsburgh,
Pittsburgh

Deborah Uryase, Ph.D.

Speech-Language Pathologist,
Department of Communication
Disorders, The Gaylord Hospital,
Wallingford, Connecticut

Diana Van Lancker, Ph.D.

Associate Professor, Department of
Neuroscience, University of North
Dakota School of Medicine, Fargo

Deanie Vogel, Ph.D.

Clinical Associate Professor of
Neurology, University of Texas
Health Science Center, San
Antonio; Speech Pathologist, Audie
L. Murphy Memorial Veterans
Hospital, San Antonio

Delaina Walker-Batson, Ph.D.

Associate Professor, Department of
Communication Sciences, Texas
Woman's University, Denton;
Clinical Associate Professor,
Department of Radiology,
University of Texas Southwestern
Medical Center, Dallas

Robert T. Wertz, Ph.D.

Chief, Audiology and Speech
Pathology, Veterans Administration
Medical Center, Martinez,
California

M. Jeanne Wilcox, Ph.D.

Associate Professor, School of
Speech Pathology and Audiology,
Kent State University, Kent
